A Quick Guide to Choosing the Right Monitor Arm Solution

There are 3 key points to consider:

1. Number of screens

- One
- Two
- Three

2. Mounting option

- One → Desk (Clamp/Grommet); Wall
- Two → Desk (Clamp/Grommet); Desk (Free Standing)
- Three → Desk (Clamp/Grommet)

3. Level of movement

- Desk (Clamp/Grommet) → Gas Spring; Pole Mount
- Wall → Gas Spring; Pivot Only
- Desk (Clamp/Grommet) → Gas Spring; Pole Mount
- Desk (Free Standing) → Pole Mount
- Desk (Clamp/Grommet) → Gas Spring
