

PROTECTING YOU & OUR EMPLOYEES

The health & safety of
everyone entering our doors
is our highest priority.

We have implemented extra
precautionary practices to
ensure a safe environment
for all.

FOR YOUR SAFETY:

- Surfaces and high touch points are regularly sanitized.
- Face masks are required wherever you cannot maintain social distancing. If you do not have one, please ask an associate and one will be provided.
- Floor markers are placed throughout the space to help you maintain safe social distancing
