FELLOWES DEALER PROGRAM **JUST GOT BETTER**

Introducing Fellowes Flex - giving independent dealers more flexibility for purchasing Fellowes products.

Dear Valued Partner,

I am pleased to announce that Fellowes Brands, a global leader in business products since 1917, has launched the Fellowes FLEX dealer program. FLEX is designed to enhance our current dealer support, allowing for greater benefits and better service in dealer direct purchases from Fellowes. Specifically, all dealer orders will now be shipped within 48 hours of order receipt and FLEX prices will be all-inclusive of costs including freight and program. Fellowes FLEX is being offered across a broad selection of products listed in this brochure including business machines, sit-stands, monitor arms and other office essentials.

In today's buying environment, we are focused on providing increasingly competitive services and support, while delighting your end-users with world-class solutions. We look forward to partnering in the year ahead as we bring a 'customer obsessive' approach to drive your business for enhanced results.
