

Antimicrobial Protection

Protect your office with Microban® products from Fellowes®

Fellowes® has teamed up with Microban® to include specially formulated antimicrobial protection in select products. This added layer of protection is integrated into Fellowes products at the point of manufacture to help prevent the growth of bacteria, keeping the products cleaner for longer. The technology remains active 24/7 for the life of the products, so users can worry less and focus on the job at hand.

Confidence in a deeper clean.

Microban's leading range of antimicrobial protection technologies are based on scientifically proven active ingredients. Introduced as products are manufactured, Microban's technologies enhance the antimicrobial protection that lives on.

Benefits include:

- Effective Against Bacteria by up to 99.99%
- Makes a Product Cleaner In-between Cleanings
- Reduces the Risk of Cross Contamination
