

PROFESSIONAL SERIES

Freestanding Dual Stacking Monitor Arm

Fully independent adjustable monitor arms increase workspace flexibility & collaboration

Features:

- Create a multi-display productive workspace and position your monitors to reduce eye, neck and shoulder strain
- Save space in tight workspaces with a dual stacked position
- Freestanding design allows dual monitors to be used in spaces that do not allow a clamp or grommet mount
- Low profile, weighted base provides enhanced stability
- Minimize clutter with the intuitive cord management system
- Meets VESA mounting standards
