

What Makes MYSTIC™ Box #715™ Superior to the Miracle Box?

Ideal for transport; superior stacking strength minimizes the need to re-box files

The MYSTIC™ Box Vs. The MIRACLE Box

We offer the same amazing instant set-up plus:

- Superior stacking strength:
 - Miracle box stacking strength = 600 lbs.
 - MYSTIC™ box stacking strength = 750 lbs.
(**150 lbs. GREATER** stacking strength!)
- A locking lid that keeps contents secure and makes the box comfortable to carry
- Squared corners for added strength and stability
- Glued panels to prevent staple punctures:
 - Miracle box staples can injure users or catch on clothing and shelving
 - MYSTIC™ box provides the box strength without the "staple" hassle
- Consumer-preferred larger labeling area ensures easy file identification
- Same PH levels 7.0-7.3 for safe, acid-neutral storage
- C-flute construction
- 75% total recycled content, 85% post-consumer content

Effortless set-up; box flips from flat to finished in an instant.

| Item # | Description | Inside Dimensions (H x W x D) | Qty/Ctn |
|---------|------------------|-------------------------------|---------|
