Back Supports

Sitting in a chair for hours at a time without proper foot & back support can cause back discomfort and overall fatigue. If your chair does not adjust to provide proper lumbar support, use a backrest with a foot support to maintain correct posture.

PROFESSIONAL SERIES™ Back Support with Microban® Protection

Mid spinal support with Memory Foam promotes good posture

- Lower lumbar support with three Memory Foam sections conforms comfortably to body curvature
- Microban® antimicrobial protection to keep product cleaner
- Tri-Tachment™ system eliminates the need for readjustment
- Product dimensions (H x W x D): 14½" x 15" x 2"

Item# 0595275 | Mfr.# 8037601

Heat and Soothe Back Support

Personalize workspace comfort with temperature control and back support

- Gel lumbar pack conforms to individual users for the ultimate flexible back support
- Gel lumbar pack heats up in microwave or chills in refrigerator for climate control
- Adjustable strap with buckle fits most modern office chairs
- Product dimensions (H x W x D): 13¾" x 14½" x 3"

Item# 678042 | Mfr.# 9190001

Standard Backrest

- Supports back during extended periods of sitting
- High-density foam promotes neutral posture
- Adjustable strap holds cushion in place
- Soft brushed cover

Item# 780013 | Mfr.# 919005

I-SPIRE SERIES Lumbar Cushion

Supports lower back for enhanced comfort while seated

- Helps reduce back tension
- Adjustable strap with durable buckle fits most office chairs and holds lumbar cushion in place
- Breathable mesh fabric enhances personal comfort
- Product dimensions (H x W x D): 6" x 14" x 3"

Item# 0426665 | Mfr.# 9472701 (Black/Grey)

Item# 0411329 | Mfr.# 9311601 (Grey)

Foot Supports

ULTIMATE Foot Support

Free-floating platform allows for intuitive rocking motion to help reduce fatigue

- 3 platform height settings (4" x 5¼" x 6½") and up to 25° tilt
- Elevates feet and legs to help relieve lower back pressure and improve posture

Item# 0203605 | Mfr.# 8067001

Powerful Convenience

When developing AutoMax™, our focus was on transforming the shredder category with the high quality performance, features and reliability synonymous with the Fellowes brand. We've eliminated the limitations that were once tolerated with other auto feed shredders and allowed you to become more productive with your time.

Fellowes® AutoMax™ auto feed shredders are not just new shredders, they are a new standard for performance.

AUTOMATIC SHREDDING AT YOUR **FINGERTIPS**

Get all the convenience and reliability of an AutoMax™ shredder in a compact machine designed for deskside or small office use. The AutoMax™ 200M provides hassle-free shredding with the added security of a smaller micro-cut particle size.

Automatic Shredding

AutoMax™ shredders offer a truly walk away shredding experience, automatically shredding large stacks of paper with the push of a button. These machines feature our patented AccuFeed System™, which delivers a fast and accurate automatic shredding experience. This technology uses a unique rotating auger system to grab paper and push it into a robust cutting block and allows AutoMax to shred common stacks of paper as they are – no pulling out staples or removing paper clips – in just minutes! Simply load the tray, press play and walk away with confidence. We've made our auto feed shredders hands-free and hassle-free, so while AutoMax shreds, you can get back to business.

Automatic shredding takes **LESS TIME** than traditional shredding.

Commercial Power

For large offices and high-volume shredding nothing beats the performance of a Fellowes Powershred® Commercial Shredder. They feature powerful continuous duty motors and SilentShred™ technology for ultra quiet operation that won't disrupt the office. Plus, all our commercial shredders are 100% Jam Proof™ and feature SafeSense® Technology which automatically stops shredding when hands touch the paper opening for safety protection.

Fellowes 425 and 485 series commercial shredders are designed and assembled in the USA; BAA Compliant with a continuous duty motor for non-stop shredding.

Perfect Laminating Every Time

Fellowes office laminators are engineered to make lamination as effortless as possible. You don't have to worry about things like pouch thickness, jamming, or remembering to turn the machine off. All of this is automatic thanks to features like AutoSense™, our Advanced Pouch Tracking System and auto-shut off features. Plus, all our featured laminators heat up fast and laminate documents up to 12.5" wide documents.

JAM-FREE **IMAGELAST**® POUCHES

- Directional arrows ensure accurate pouch insertion and **jam-free performance** to make every laminating project easier
- UV protection and anti-yellowing prevention provide lasting document quality and superior results

BANKERS BOX® STORAGE DRAWERS

STAXONSTEEL®

MAXIMUM SPACE-SAVING

A DRAWERS

- **Stacks 10 high – Store 80% more records in the same floor space**
- Steel framework interlocks vertically and horizontally to withstand the heaviest day-to-day usage
- Steel stacker bars form a sturdy framework that won't buckle, twist or bend and offer space-saving stackability with the accessibility of a filing cabinet
- Our strongest system is also the easiest to assemble. Drawers snap together with poly-lock technology and are reinforced with steel wire
- Steel frame and reinforced panels ensure drawers fully open and close smoothly
- Factory installed, high-impact drawer handle with index card holder for fast file retrieval (index cards included)

B METAL BASE

- Protect your files by raising them 2.5" above floor level
- Helps prevent damage from kicks, cleaning equipment and moisture
