

Do you or the people in your office experience pain or discomfort in the shoulders, neck, back, arms, hands, or wrists but refuse to use a standard Keyboard Manager for one or more of the reasons below?

- I'm too tall to use a keyboard manager
- I can't cross my legs with a keyboard manager
- I can't or don't want to drill holes in my desk

Do you prefer a keyboard manager that includes mouse platform adjustability?

- A. Yes
- B. No Preference
- C. No, prefer keyboard and mouse on one large platform

If the answer is A or B, recommend the Fellowes® Tilt 'n Slide Pro™ with Comfort Glide™ system for mouse platform adjustment (Staples #328469)

The Fellowes® Tilt 'n Slide Pro™ Keyboard Manager attaches to your desktop edge without tools for more knee clearance and a comfortable, reclined seating position. It features the Comfort Glide™ system for mouse platform adjustment.

- Features Comfort Glide™ System – mouse tray slides over numeric key pad.
- Attaches to desktop edge without tools, which allows platform to tilt or slide with ease
- Extended knee clearance keeps you comfortable while typing and mousing
- Attaches to desktops up to 1-3/4" thick without surface damage
- Single lever easily adjusts tilt (flat to 30°) and slide (4-5/8" travel distance)
- Unique textured surface keeps mouse from sliding off mousing platform.(IP pending)
- Ultra soft memory foam wrist support with Microban® antimicrobial protection keeps product cleaner

If the answer is C, recommend the Fellowes® Tilt 'n Slide™ Keyboard Manager (Staples #328470).

The Fellowes® Tilt 'n Slide™ Keyboard Manager attaches to your desktop edge without tools for more knee clearance and a comfortable, reclined seating position.

- Attaches to desktop edge without tools, which allows platform to tilt or slide with ease
- Extended knee clearance keeps you comfortable while typing and mousing
- Attaches to desktops up to 1-3/4" thick without surface damage
- Single lever easily adjusts tilt (flat to 30°) and slide (4-5/8" travel distance)
- Rubber backing keeps mouse from sliding off mousing platform (IP pending)
- Ultra soft memory foam wrist support with Microban® antimicrobial protection keeps product cleaner
- Large platform holds both keyboard and mouse
