

FELLOWES® Call Script for Foot Support

Have you or other people in your office been experiencing back or leg discomfort? Or complain about the temperature in the office?

Most people don't know that Foot Supports:

Encourage a neutral posture that relieves tension in the back and shoulders

Enhance back support by easing your back into the chair back

Reduce pressure on legs which improves circulation

Some can even help control the temperature in their office

Recommend the Fellowes® Climate Control Footrest (Staples #810965).

When room temperature is an issue, the Fellowes® Climate Control Footrest can support personal comfort in every way!

- Works as a footrest and offers free-standing climate control
- Three temperature settings: cool fan, low heat, and high heat
- Adjustable fan lets you control workspace airflow to suit your preference
- Auto-off feature turns unit off after eight hours of use
- Elevates feet/legs to help relieve lower back pressure and improve posture
- Surface massage bumps help relieve work-related stress
- Economical – requires only 250 watts to run
