

A Healthier Office

Work Better. Feel Better.

Did you know that U.S. companies **lose billions** of dollars a year in **lost sales and profits** due to absenteeism, low engagement, and costly insurance claims? We can help prevent these losses with workspace solutions that improve health and productivity.

Behind Fellowes award-winning products is a commitment to quality that spans four generations of the Fellowes family. That's over 100 years of dedication to excellence. If you want **superior wellness products** that will **save you money** and **stand the test of time**, let's talk!

For every \$1 in companies invest in wellness they see a **\$2-\$4 return***. See the return with a full suite of solutions for holistic wellness!

*Federal Occupational Health Fact Sheet
