

# Valentinsbingo

## VORBEREITUNG

Dieses Blatt ausdrucken und die folgenden 30 Symbole ausschneiden und laminieren.

Karten in einen Beutel legen und dem "Caller" (Spielleiter) überreichen. Drucke und laminiere für jeden Mitspieler eine Bingokarte.

## SPIELANLEITUNG

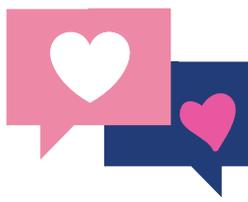

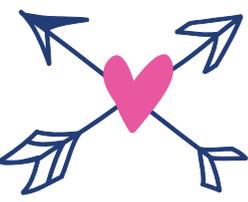

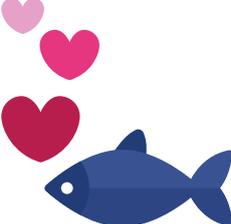

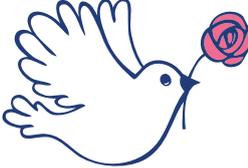

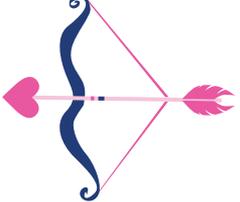

Der Caller nutzt den Beutel mit den Symbolen um alle möglichen Symboloptionen zu sehen. Mache deine eigenen Regeln: 4 Ecken, X-Form, T-Form, 1 Reihe, 1 Spalte, ganze Karte etc. Mit einem Whiteboard Marker zutreffende Symbole streichen. Spielkarten wiederverwendbar - einfach mit einem Papiertuch die Karten sauber wischen.
