## Freestanding Single Monitor Arm

Freestanding design allows for increased flexibility and can be used in spaces that do not allow a clamp or grommet mount.

- » Create a multi-display productive workspace and position your monitors to reduce eye, neck and shoulder strain
- » Low profile, weighted base provides enhanced stability
- » Minimize clutter with the intuitive cord management system
- » Holds 32" monitors up to 17 lbs.
- » Meets VESA mounting standards
