

A SLIMMED DOWN APPROACH TO WASTE AND RECYCLING

Add disposable waste containers wherever you need them—even in narrow spaces.

Disposable Slim Waste & Recycling Bin & Lids

- New slimmer design easily fits in tight, narrow spaces
- A value option for your recycling and waste disposal needs
- Easy 1-2-3 assembly with handles for easy transportation
- Patent-pending, 4-point cinch holds liners larger than 23-gallons in place (liners sold separately)
- Bins have optional lids (sold separately) for specific disposal needs
- Reusable, recyclable and made in the USA
