

# Upgrade to Next Generation Shredding and Save

Upgrade to the next generation of shredders and save time and – for a limited time – money! Purchase a qualifying LX Series shredder between April 1st, 2020 and June 30th, 2020 and visit [www.FellowesPromotions.com](http://www.FellowesPromotions.com) to claim your rebate of up to \$35.

The new LX Series from Fellowes are revolutionary, worry free shredders designed to maximize workplace efficiency and keep your day in flow. They include new IntelliBAR™ technology with patented responsive features that prioritize security, jam-prevention and quiet shredding. All with the quality and performance you've come to expect from The World's Toughest Shredders®.
