

Clean the Air We Share

* <http://www.cdc.gov/flu/about/disease/spread.htm>

The **rapid global spread** of COVID-19 has increased our urgency to **protect ourselves** and each other. Multiple studies have demonstrated that when it comes to virus transmission, the **airborne threat is real** and cannot be ignored.

Healthy and safe facilities matter now, more than ever. We must protect ourselves in shared environments against future viral outbreaks.

AeraMax Professional commercial grade air purifiers provide maximum protection with True HEPA filters that can capture 99.97% of all airborne contaminants, including airborne viruses*.

AeraMax® Professional COMMERCIAL GRADE AIR PROTECTION

A complete hygiene solution should consist of 3 essential components – washing your hands, sanitizing surfaces and cleaning the air for protection against person-to-person virus transmission.

AeraMax Professional commercial grade air purifiers provide maximum protection by removing up to 99.97% of all airborne contaminants, including airborne viruses*. Specifically designed to provide 24/7 smart air cleaning for shared air environments using proven filtration technology.

Clean the air you share with AeraMax Professional from Fellowes Brands, a family business since 1917.

*Independent Laboratory Study – March 2015
